GRIEVANCE REPORT

- *Please note: the correct protocol if there are concerns about behaviour is to come to the office and request the presence of a court supervisor to **OBSERVE** the issue first hand and hopefully manage at the time. We cannot pass judgement based on hearsay (often biased).*
- *Grievance reports must first be submitted to your club for assessment of validity and will **only** be accepted by the Committee from the relevant official club secretary within 48 hrs of the incident*
- *The Committee will then seek further information from the opposition team, umpires and officials. The grievance will be assessed by the Committee and your club secretary will receive a written response within 14 days.*
